

DCS²

Data & Computational Science Series **2019**

XSEDE Monthly HPC Workshop: Big Data

Tuesday October 1 and Wednesday October 2, 2019

11:00am to 5:00pm

Faculty Enrichment Center: Langsam Library room 540G/F

*This 2-day workshop will introduce **scalable data analytics** and **machine learning**.
It is a hands-on workshop using **Hadoop, Spark and TensorFlow**.*

No prerequisites, although some familiarity with Python would be helpful.

Please bring a laptop, lunch will be provided.

FREE EVENT, but seating is limited, so registration is first-come.
